NOTICE.

The departure of the two prime donne for Boaton—where they will appear on Monday, Sept. 26—and shortly after for Ilarams, precludes the possibility of extending the number of performances; but bein as the season must be a will still be managed with all the liberality, care and strict attention to details that have wen for the New York Academy of Music the undisputed reputation of being the first musical establishment in America. The system usually adopted on the occasion of the opening of a season—in reserving important features for the latter part, and in engaging one single actual characters—it will combine at its very common experimental attriction of two of the first vocalists of the day, such as Mesdamae CORTEST and GASSIER are admitted to be which that of the above mentioned list of artists, who, for the first time, will be above mentioned list of artists, who, for the first time, will be above mentioned list of artists, who, for the first time, will be above mentioned list of artists, who, for the first time, will be above mentioned list of artists, who, for the first time, will be above mentioned list of artists, who, for the first time, will be above mentioned list of artists, who, for the first time, will be above mentioned list of artists, who, for the first time, will be above mentioned list of artists, who, for the first time, will be above mentioned list of artists, who, for the first time, will be above mentioned list of artists, who, for the first time, will be above mentioned list of artists, who, for the first time, will be above mentioned list of artists, who, for the first time, will be above mentioned list of artists, who, for the first time, will be above mentioned list of artists, who, for the first time, will be above mentioned list of artists, who, for the first time, and time and time and the state o
